

Not much of an update, rather just a quick prayer request...

Brandon heads into the bush on Monday for a week. He is going back to Bisorio for some finish-up projects that were never completed from the initial house build trips he was a part of back in 2021. Going along with a couple PNG co-workers, he also gets to take Griffin along this time.

Prayer for:

1. Good travels by plane and boat.
2. Injury and sickness free.
3. The family while B&G are gone and for Brendan as he has the opportunity to be “the man of the house”.
4. That the work team will be an encouragement to both the missionary currently in Bisorio as well as the Bisorio church.

Only Jesus,

Brandon & Heather
