

Wabuku: Born Again

Remember Wabuku? Last year Brandon went to Wabuku to help convert an old missionary house into a meeting/teaching house. Since then, the Wabuku people have clearly heard and understood God's talk in their *tok ples* (own heart language) and many have believed on the Lord Jesus! Check out these two videos detailing the testimony of our brothers and sisters in Wabuku. [Recap Video](#) & [Testimony Video](#)

Wewak Men's Bible Study: Born Again

After a year+ of teaching God's talk (Creation to Christ) to our six base employees (Willy, Kali, Nason, Wesley, Otto, & Mike), Brandon passed the reins to Thomas, one of our co-workers who recently returned to PNG from Germany. Since the hand-off, Thomas has taught the guys through the book of 1 John and recently started Ephesians. From both books he has been highlighting what it means to believe in Christ and then walk in fellowship with Him. Thank you for your continued prayers for these guys. In recent months we have heard clear testimonies of faith from both Nason and Wesley! Please continue to pray for Mike's salvation. **The other three were all born again several years ago.*

We are now just 20 days from getting on a plane and starting our journey home. 20 days from leaving Wewak and the ministry God has entrusted to us for the past five years. 20 days from saying goodbye to co-workers and friends with whom we have special relationships and unique shared experiences. 20 days from upheaval and transitions. We have successfully handed off our ministry responsibilities to others and now turn our attention to packing up our things for storage where they will sit patiently waiting till January to be shipped to Madang. Speaking of which, praise God that He has provided the funds we needed to pay for the cost of the shipping container!

We are looking forward to seeing many of you as the Lord allows us to cross paths in the States. For those at **Free Grace Church in Fresno, we are planning to join you on May 25th and June 1st**. We then plan to be at **Valley Church in Cupertino on June 8th**. After two weeks of travel from California to Michigan, we will then join **Skiff Lake Bible Church in Jackson on June 29th** for what will be the first of many Sundays. Finally, we are planning a college tour road trip for our second son which should take us near Bedford, PA and allow us the chance to visit **St. Paul's Church on October 12th**.

Thank you again for keeping our travels, expenses, and transitions in your prayers.

Only Jesus,

Brandon & Heather
