Emmanuel Gill, Director

Conference at Wandala Dial Shal

Greetings Co-laborers in Christ,

I am happy to report WBM’s ministry in the Lahore, Pakistan area continues to proclaim and teach the Gospel of our Lord Jesus Christ. Our brothers in the Bible Believing Lahore Church Council, Lahore demonstrate great patience and perseverance in their service to Christ and His people. They are committed to the purity of the church as they preach Christ and Him crucified, administer the sacraments, and carry godly discipline. This is not an easy task in Pakistan, so please pray regularly for them. The Pakistan Board of Directors, led by Rev. Gill, is working diligently to oversee WBM’s various ministries and to contend with any difficulties that may come their way.

The BBLCCL and the Pakistan Board of Directors are also planning to hold their annual Bible Conventions in late October – early November. Last year we were not able to hold any conventions. We plan to hold 4-6 conventions at WBM ministry sites and also larger BBLCCL churches. Each year a Biblical theme is chosen and the Word of God is expounded to all who come. We have had thousands in attendance,

including those from other denominations, and some with no church at all. Please pray about helping us with a gift so that our conventions can be held this year.

We thank the Lord that Mr. Shamoan James who was trained in our seminary and now teaching Bible to the students of CA-1 was approved by the BBLCCL as preacher. Once our Bible Literacy inspector is installed, the Bible

Bible Literacy Training

Literacy center he operates will be considered one of our official centers. NOTE: The BBLCCCL approved identifying each of the Calvin Academies as "Nasim Memorial Calvin's High School." Until now, only CA II and III were named this way.

As I've noted, the ministry of WBM in Lahore is active as ever. It takes a team of workers, prayer warriors, and financial supporters. This ministry in Lahore has been blessed over the past 50 years

with sacrificial and faithful financial support that enabled us to maintain and expand our Gospel outreach. However, over the last year and a half the giving to our Pakistan ministry has seen a significant decrease. So, we are at a point where we cannot make our monthly budget (a budget that has not kept up with runaway inflation in Pakistan). We do not borrow to provide for our missionary labors, so we are faced with making some very difficult choices on which ministries will be

reduced or even eliminated. We need additional support to keep our schools, clinics and other Bible outreach programs operating. Please prayerfully consider giving regularly (even monthly if you don't already with an increase in your giving. Also, please help our ministry by telling others about WBM's Pakistan ministry.

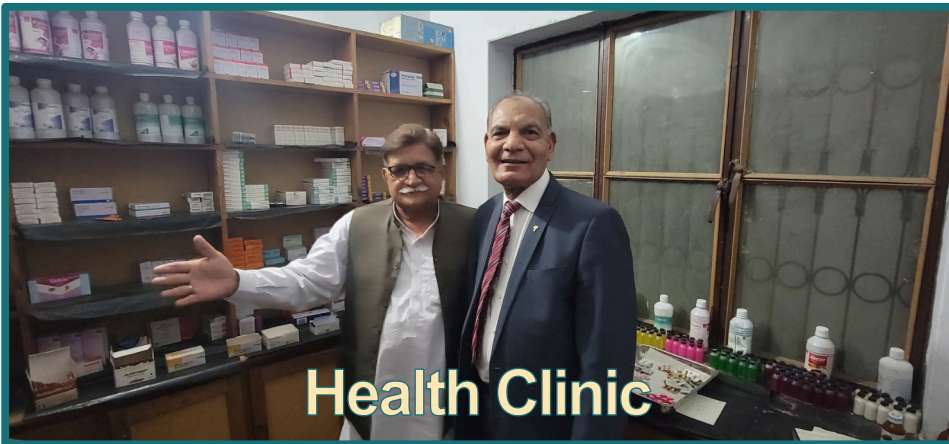

Please pray that the LORD will give us wisdom in directing our ministries in Pakistan and that He will raise up new donors and prayer warriors to help us. We believe that the work in Pakistan can continue to grow and advance the Kingdom of Christ by God's grace and faithful support.

Thank you for being part of our mission's team as we seek to reach Pakistan for Christ and advance His everlasting kingdom!

For the Glory of God,

Rev. Howard Sloan

Field Chairman for Pakistan
